

\$100

A Touchstone Energy® Cooperative 

Appliance Rebate

Save on energy costs...

by replacing your old, inefficient refrigerator or stand-alone freezer with a new ENERGY STAR® unit and receive a \$100 rebate from South Central Power.

Eligibility

- This rebate is available only to residential members of South Central Power Company.
- Purchase must be a new ENERGY STAR-certified refrigerator or stand-alone freezer, 10-30 cubic feet in size, and made by June 30, 2018.

Expiration

Offer is available on a first-come, first-served basis. South Central Power's rebate budget is limited, and the offer expires when funds are depleted.

How to participate

- Complete the form according to the directions and submit the specified purchase and ENERGY STAR documentation.
- A check will be mailed to the applying member within six weeks.

Consult with your appliance dealer about removing your older, less energy-efficient appliance. South Central Power cautions against repurposing the old unit, especially to a garage or barn that becomes very hot in warmer weather. That could cause this older appliance to work harder to keep items cool and cause a significant increase in your energy bill. Please note: South Central Power is not responsible for the removal of old units.
