Make your voice heard in Washington, D.C.

South Central Power is pleased to return \$5.5 million in capital credits in 2018. Your share appears as a credit on this month's electric bill. We invite you to invest some of your capital credit refund in ACRE® Co-op Owners for Political Action, the grassroots political action committee of the National Rural Electric Cooperative Association (NRECA).

Your participation matters. ACRE Co-op Owners for Political Action is a vital part of our legislative outreach and is an exciting opportunity to make your voice heard in the political process. Voluntary contributions from co-op members nationwide are donated to the campaigns of Democratic and Republican officeholders and candidates who support the policy positions of electric co-ops.

For only \$2.08 per month (\$25 per year), you'll enjoy these benefits:

- An invitation to regional political briefings with federal and state leaders
- The opportunity to tour Cardinal Generating Station
- Newsletters from South Central Power, Ohio's Electric Cooperatives and NRECA
- Special recognition at South Central Power's Annual Meeting
- A lapel pin

See the enrollment form on the reverse side.
