Member events this spring!

Join us this March and April for information, food and fun at our member events. The 2019 South Central Power Company Foundation scholarship winners will be announced, and you'll also get an update from President & CEO Rick Lemonds about the state of your cooperative and investments South Central Power is making in new technology that's helping to connect our cooperative and the communities where you live and work.

Register online at www.southcentralpower.com > Community > 2019 Member Events or call us at 800-282-5064. Please indicate which meeting you will attend and the number of guests.

March 2019

We've decided to bring our member meetings out into the community for 2019. Each venue is a unique place where we can host more of our members with adequate parking, room for a crowd, and it's an opportunity for community members to come together.

March 21

Belmont Co.
Fairgrounds
45420 Roscoe Rd.
St. Clairsville

April 2

Fairfield Co.
Fairgrounds
157 E. Fair Ave.
