

SOUTH CENTRAL POWER COMPANY
ENERGY STAR® Appliance Rebate
PROGRAM REQUIREMENTS
July 1, 2019 – June 30, 2020

The installation of a new ENERGY STAR appliance (refrigerator or stand-alone freezer) in a residence which uses electricity from South Central Power qualifies for a rebate.

A. SPECIFIC REQUIREMENTS

1. Qualified Equipment and Installation
 - a. Refrigerators and stand-alone freezers must be new and ENERGY STAR-rated at time of purchase and installation. See www.energystar.gov for current ENERGY STAR specifications.
 - b. South Central Power must verify ENERGY STAR listing through either a copy of the yellow Energy Guide label or the owner's manual (must include ENERGY STAR logo or statement of ENERGY STAR-certification).
 - c. South Central Power must verify through a purchase receipt that new ENERGY STAR refrigerator or stand-alone freezer was purchased and installed between July 1, 2019, and June 30, 2020. Units purchased prior to July 1, 2019, are eligible under the prior program year requirements.
2. Units must be sized according to cubic feet and meet size requirement to be eligible.
 - a. New ENERGY STAR refrigerators sized 10-30 cubic feet are eligible.
 - b. New ENERGY STAR stand-alone freezers sized 10-30 cubic feet are eligible.

B. ELIGIBILITY FOR REBATE

1. The building must be a residence, no commercial or industrial buildings, which uses electricity from South Central Power.
2. Rebate is to be paid to the South Central Power member-consumer who owns the residence, the rebate cannot be paid to a builder/dealer.

C. CONDITIONS OF REBATE

1. Units not meeting cubic feet requirements are not eligible for this program.
2. The purchase and installation of the ENERGY STAR refrigerator or stand-alone freezer must be approved by South Central Power.
