

AS AMENDED THRU AUGUST 15, 2024

Code of Regulations

LANCASTER, OHIO

SOUTH CENTRAL POWER COMPANY

The aim of South Central Power Company, (hereinafter called the Cooperative) is to make available to its members (a) electric energy at the lowest cost consistent with sound economy and good management, and (b) other products and services that may be beneficial to members. The provision of electric energy and other products and services made available by the Cooperative to its members are hereinafter called the "Cooperative Services."

CODE OF REGULATIONS

ARTICLE I

Members

Section 1

Qualifications and Obligations

Any person, firm, partnership, political subdivision, governmental agency or instrumentality, limited liability company, association, corporation or body politic shall become a member in the Cooperative by accepting electric or other monthly recurring service from the Cooperative as evidenced by payment of an invoice for such service unless such person, firm, partnership, political subdivision, governmental agency or instrumentality, limited liability company, association, corporation or body politic specifically declines membership. Each member or patron agrees to:

- (a) comply with and be bound by the Articles of Incorporation of the Cooperative and this Code of Regulations and any amendments thereto and such rules and regulations as may from time to time be adopted by the Board of Trustees;
- (b) provide the Cooperative without charge such easements and rights of way in the Cooperative's standard form in reasonably mutual agreed locations as necessary or convenient for the Cooperative to provide Cooperative Services to such member or other members or patrons of the Cooperative;

No applications for joint membership shall be accepted by the Cooperative after August 31, 2005. All joint memberships validly in existence on August 31, 2005 shall retain all of the rights, and be subject to all of the obligations, of a joint membership in accordance with this Code of Regulations and the rules and policies of the Cooperative respecting joint membership.

Section 2

Purchase of Electric Energy and Other Products and Services

Each member shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy used on the premises served by the Cooperative and shall pay therefor monthly at rates and charges which shall from time to time be fixed by resolution of the Board of Trustees; provided, however, that the electric energy which the Cooperative shall furnish to any member may be limited to such an amount as the Cooperative shall from time to time determine and that each member shall pay to the Cooperative such minimum amount per month as shall be fixed by the Cooperative from time to time, regardless of the amount of electric energy consumed. Each member may, as soon as one or more non-electric Cooperative Services are available, purchase from the Cooperative the specific non-electric Cooperative Service used on the premises served by the Cooperative and shall pay therefor monthly at rates and charges which shall from time to time be fixed by resolution of the Board of Trustees. Each member shall also pay all obligations which may from time to time become due and payable by such member to the Cooperative as and when the same shall become due and payable.

Notwithstanding any language in this Code of Regulations to the contrary, each member agrees that any claim, demand, cause of action, action or suit for any losses or damages arising from or related to the receipt of Cooperative Services from a subsidiary of the Cooperative may only be asserted or brought against that subsidiary, and not the Cooperative, and each member agrees to release and hold harmless the Cooperative and all other subsidiaries of the Cooperative from any such claim, demand, cause of action, action or suit and any and all losses or damages arising from or related thereto. A claim, demand, cause of action, action or suit for any losses or damages arising from or related to the receipt of Cooperative Services may be brought against the Cooperative only if the Cooperative was the provider of such Cooperative Services to such member.

Section 3

Non-liability for Debts of the Cooperative

The private property of the members of the Cooperative shall be exempt from execution for debts of the Cooperative and no member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

Section 4

Expulsion of Members

The Board of Trustees of the Cooperative may, by the affirmative vote of not less than two-thirds (2/3) of the members thereof, expel any member who shall have violated or refused to comply with any of the provisions of the Articles of Incorporation of the Cooperative or this Code of Regulations or any rules or regulations adopted from time to time by the Board of Trustees. Any member so expelled may be reinstated as a member by a vote of the members at any annual or special meeting of the members. The action of the members with respect to any such reinstatement shall be final.

Section 5

Withdrawal of Membership

Any member may withdraw from membership upon payment in full of all debts and liabilities of such member to the Cooperative and upon compliance with such terms and conditions as the Board of Trustees may prescribe; provided, however, that no member may withdraw from membership for the purpose of having a person other than the Cooperative provide electric energy for use on the premises for the member's account, any such withdrawal being automatically null and void.

Section 6

Termination of Membership

Membership in the Cooperative and any certificate representing the same shall not be transferable. Upon the death, cessation of existence, expulsion or withdrawal of a member or the voluntary cessation by the Cooperative of service the membership of such member shall terminate, and any certificate of membership of such member shall be surrendered forthwith to the Cooperative. The Board of Trustees shall adopt rules governing the membership status of persons whose service is temporarily discontinued. Termination of membership in any manner shall operate as a release of all right, title and interest of the member in the property and assets of the Cooperative, except as to allocations of capital credits made pursuant to Article VIII hereof; provided, however, that such termination of membership shall not release the member from the debts or liabilities of such member to the Cooperative.

Section 7
Removal of Trustees

Any member may request removal of a trustee for Cause by filing with the Secretary in writing a detailed description of each charge and the evidentiary basis therefor together with a petition signed by at least ten per centum (10%) of the members. If more than one (1) trustee is sought to be removed, individual charges against each such trustee and the evidentiary basis for each such charge shall be specified. At the next regular or special meeting of the members occurring not less than forty-five (45) days after the filing of such charges, the member bringing the charges against the trustee shall have an opportunity to be heard in person or by counsel and to present evidence in support of the charges; and the trustee shall have the opportunity to be heard in person or by counsel and to present evidence in response to the charges. The question of the removal of such trustee shall be considered and voted upon at the meeting of members. The removal of no more than two (2) trustees may be considered or voted upon at any meeting of members or in any twelve (12) month period.

Any trustee may request the removal of another trustee for Cause by delivering to each trustee a notice, signed by at least two members of the Board of Trustees, setting forth the charges against such other trustee. The question of removal shall be considered and voted on at the next regularly scheduled or special meeting of the Board of Trustees during which the trustees filing charges and the trustee against whom charges have been filed, shall have the opportunity to be heard in person or by counsel and to present evidence regarding the charges. The unanimous vote of all trustees, except the trustee against whom such charges are brought, shall be required in order to remove a trustee for Cause.

For purposes of this Article I, Section 7, "Cause" shall mean any of the following:

- (a) Failure of the trustee to attend four (4) consecutive meetings of the Board of Trustees or failure to attend six (6) regular monthly meetings of the Board of Trustees in any twelve (12) month period.
- (b) Long-term disability of the trustee, consisting of the inability to perform the essential function of such trustee's position for a period of one hundred eighty (180) days or longer, as certified in writing by a qualified medical doctor.
- (c) The trustee pleading guilty or being convicted, with all appeals having been completed, of any (i) felony, (ii) theft offense, or (iii) drug abuse offense not constituting a minor misdemeanor.
- (d) Failure of the trustee to serve in accordance with or in violation by the trustee of any material term, condition, or provision of the Cooperative's Articles of Incorporation, Code of Regulations or policies, which failure or violation has a material adverse effect on the business and affairs of the Cooperative.

Notwithstanding the forgoing provisions of this Section 7, the trustee against whom charges are brought shall be informed in writing of the charges at least ten (10) days prior to the meeting of members or the Board of Trustees, as appropriate, at which the charges are to be considered. No trustee shall be removed from office unless the specific charges against such trustee are supported by clear and convincing evidence.

Any vacancy created by removal of a trustee under this Section 7 shall be filled pursuant to Article III, Section 4 of this Code of Regulations.

Section 8

Furnishing Service to Non-Members

Nothing contained in this Article, or elsewhere in this Code of Regulations shall be deemed or construed to prevent or prohibit the Cooperative from selling electric energy or non-electric products or rendering electric or non-electric services to non-members, in proper cases, nor to prohibit the Cooperative from executing and performing franchise contracts with municipalities providing for the sale of electric energy and rendering of services to said municipalities.

Section 9

Signing of Certificate of Membership

A certificate of membership is signed for purposes of this Code of Regulations by either manual signing or by facsimile signature.

ARTICLE II

Meetings of Members

Section 1

Annual Meeting

The Annual Meeting of the members shall be held on such day in July, August or September and at such place within the counties in the service area of the Cooperative as designated by the Board of Trustees and specified in the notice of the meeting for the purpose of reporting on the election of trustees, passing upon reports covering the previous fiscal year and transacting such other business as may come before the meeting. Failure to hold the annual meeting or an election of trustees at a designated time shall not work a forfeiture or dissolution of the Cooperative. The Board of Trustees may determine that the annual meeting shall not be held at any physical place, but instead may be held solely by means of authorized communications equipment as described in Section 8 of this Article. [Amended by Members on August 19, 2021]

Section 2

Special Meetings

Special meetings of the members may be called by at least three (3) trustees or upon written request signed by at least ten per centum (10%) of all the members and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within the counties in the service area of the Cooperative, specified in the notice of the special meeting. The Board of Trustees may determine that the special meeting shall not be held at any physical place, but instead may be held solely by means of authorized communications equipment as described in Section 8 of this Article. [Amended by Members on August 19, 2021]

Section 3

Notice of Members' Meetings

Written or printed notice stating the place, day and hour of the meeting and, in case of a special meeting, the purpose for which the meeting is called, shall be delivered not less than thirty (30) days before the date of the meeting, either personally, electronically or by mail, by or at the direction of the Secretary, or by the persons calling the meeting, to each member. If mailed, such notice shall be deemed to be delivered when deposited in the

United States mail, addressed to the member at the address as it appears on the records of the Cooperative, with postage thereon paid. In case of a joint membership, notice given to either husband or wife shall be deemed notice to both joint members. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

Section 4
Quorum

The members entitled to vote present in person or represented by proxy at any meeting of the members shall constitute a quorum. In case of a joint membership the presence at a meeting of either husband or wife, or both, shall be regarded as the presence of one member.

Section 5
Voting

Each member shall be entitled to one (1) vote and no more upon each matter submitted to a vote of the members. At all meetings of the members at which a quorum is present all questions shall be decided by a vote of a majority of the members voting thereon in person or by proxy, except as otherwise provided by law, the Articles of Incorporation of the Cooperative, or this Code of Regulations.

Section 6
Proxies

At all meetings of members, a member may vote by proxy executed in writing by the member. Such proxy shall be filed with the Secretary before or at the time of the meeting. No proxy shall be voted at any meeting of the members unless it shall designate the particular meeting at which it is to be voted, and no proxy shall be voted at any meeting other than the one so designated or any adjournment of such meeting. No person shall vote as proxy for more than three (3) members at any meeting of the members and no proxy shall be valid after sixty (60) days from the date of its execution. The presence of a member at a meeting of the members shall revoke a proxy theretofore executed by the member and such member shall be entitled to vote at such meeting in the same manner and with the same effect as if the member had not executed a proxy. In the case of a joint membership, a proxy may be executed by either husband or wife. The presence of either husband or wife at a meeting of the members shall revoke a proxy theretofore executed by either of them and such joint member or members shall be entitled to vote at such meeting in the same manner and with the same effect as if a proxy had not been executed. No person other than a member shall vote a proxy.

Section 7
Order of Business

The order of business at the annual meeting of the members and so far as possible at all other meetings of the members shall be essentially as follows:

1. Call of the roll.
2. Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be.
3. Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon.
4. Presentation and consideration of, and acting upon, reports of officers, trustees and committees.
5. Report on the election of trustees.

6. Unfinished business.
7. New business.
8. Adjournment.

Section 8

Use of Authorized Communications Equipment to Attend Members' Meetings

Members may attend an annual or special meeting of members through the use of authorized communications equipment if such use has been specifically determined for such meeting by the Board of Trustees, in its discretion. The authorized communications equipment must provide members with an opportunity to participate in such meeting and to vote on matters submitted to the members at such meeting, including an opportunity to read or hear the proceedings of such meeting, participate in the proceedings, and contemporaneously communicate with the persons who are physically present at such meeting. Any member who uses authorized communications equipment shall be deemed to be present in person at such meeting. No person shall be permitted to vote as proxy through the use of authorized communications equipment.

If authorized communications equipment is permitted for use at a meeting of members, the meeting notice described in Section 3 of this Article shall state such permitted use and shall contain instructions for members to connect to such meeting. The Board of Trustees may adopt procedures and guidelines for the use of authorized communications equipment in connection with a meeting of members to permit the Cooperative to verify that a person is a member who is eligible to vote and to maintain a record of any vote or other action taken at such meeting.

As used in this Section, the term “authorized communications equipment” shall have the meaning set forth in Chapter 1702 of the Ohio Revised Code, as hereafter amended or modified. [Section added by Members on August 19, 2021]

ARTICLE III

Trustees

Section 1

General Powers

The business and affairs of the Cooperative shall be managed by a board of eleven (11) trustees which shall exercise all of the powers of the Cooperative except such as are by law or the Articles of Incorporation of the Cooperative or by this Code of Regulations conferred upon or reserved to the members.

Section 2

Qualifications and Tenure

The trustees shall divide the territory wherein the members of the Cooperative reside into eleven (11) districts so that equitable representation may be given to the geographic areas served by the Cooperative. The trustees shall have the power to change the boundaries of such districts whenever in their opinion the purpose of this Section requires such a change. Any trustee serving at the time of redistricting shall serve the remaining portion of their existing term. Each district shall be represented by one (1) trustee. Not less than three (3) or more than five (5) trustees shall be elected each year by and from the members as provided in Section 10 of this Article III to serve for a term of three (3) years or until their successors shall have been elected and shall have qualified, subject to provisions of this Code of Regulations with respect to the removal of trustees.

The trustees shall have the power to determine that in certain years more than three (3) but not more than five (5) trustees shall be elected. Only members shall be eligible for election to a position on the Board of Trustees. No person shall be eligible to become or remain a trustee or to hold any position of trust in the Cooperative who:

- (a) Is not a member of the Cooperative at the time such person's name is submitted
 - (i) to the nominating committee for consideration or to the Cooperative by petition by fifty (50) or more members as described in Article III, Section 3 (Nominations), and as of the time such person is elected to the Board, or (ii) at the time such person is appointed to the Board in accordance with Article III, Section 4, (Vacancies), or who shall not thereafter continue to be a member;
- (b) Has not been domiciled for at least one (1) year in the particular district within the service territory of the Cooperative which the trustee is to represent, provided that any currently sitting and qualified trustee who is a bona fide resident or owner of property served by the Cooperative shall be eligible to continue to serve and be reelected to successive terms so long as all other qualifications are met;
- (c) Does not take electric energy from the Cooperative.
- (d) Is an employee or close relative of an employee of or a person or close relative of a person who has a material financial interest in a competing enterprise; or
- (e) Is an employee of or close relative of an employee of, or a person or close relative of a person who has a material financial interest in, a business that sells or provides a material amount of products or services to the Cooperative; or
- (f) Has been an employee of the Cooperative for any period during the most recent three (3) years or close relative of such employee; or
- (g) Is a close relative of a person who then serves as a trustee of the Cooperative; or
- (h) Has pled guilty or been convicted, with all appeals having been completed, of any
 - (i) felony, (ii) theft offense, or (iii) drug abuse offense not constituting a minor misdemeanor in the immediately preceding five (5) years; or
- (i) Has filed bankruptcy in the immediately preceding five (5) years.

Nothing in this Section contained shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Trustees. As used in this Article, "close relative" means the spouse and the relationships of father, mother, brother, sister, son and daughter, existing by reason of blood, marriage, or adoption.

Section 3 Nominations

It shall be the duty of the Board of Trustees to appoint a standing committee on nominations (a "nominating committee") consisting of members who shall be selected so as to give equitable representation on the nominating committee to the geographical area served or to be served by the Cooperative. No officer, member of the Board of Trustees, or close relative of an officer or member of the Board of Trustees shall be appointed as a member of the nominating committee. The Board of Trustees may by resolution provide reasonable compensation to be paid to members of the nominating committee for services rendered on behalf of the Cooperative as a member of the nominating committee and also provide for expenses incurred therein. Members of the nominating committee shall be entitled to indemnification under Article XV the same as if such members were trustees. The Board of Trustees may adopt procedures concerning governance matters pertaining to the nominating committee, including the terms of office of members. [Amended by

Members August 19, 2021]

The nominating committee shall prepare and provide to the Secretary at least forty-five (45) days before the date of each annual meeting a list of nominations for trustee of at least one (1) candidates for trustee from each district represented by a trustee whose term of office will expire at the time of the next annual meeting, but any fifty (50) or more members may make other nominations in writing over their signatures not less than sixty (60) days prior to the meeting. No person shall be voted upon by the members for trustee who has not signified in writing or otherwise his/her willingness to serve if elected. Notwithstanding anything in this Section contained, failure to comply with any of the provisions of this Section shall not affect in any manner whatsoever the validity of any election of trustees. [Amended by Members on August 19, 2021]

*Section 4
Vacancies*

Vacancies occurring in the Board of Trustees shall be filled by a majority vote of the remaining trustees.

*Section 5
Compensation*

The Board of Trustees may by resolution provide a reasonable compensation to be paid to each trustee for services rendered on behalf of the Cooperative as a trustee and also provide for expenses incurred therein. A trustee may also receive compensation for services rendered as an officer of the Cooperative but shall not receive compensation for services rendered in any other capacity, except in emergency.

No close relative of a trustee shall receive compensation for serving the Cooperative, except in emergency, and in that event, such compensation may be fixed by the Board of Trustees, provided however, if the emergency exists for more than ninety (90) days, then such compensation shall be specifically authorized by vote of the members. As used in this Section, "close relative" means the relationships of spouse, father, mother, brother, sister, son and daughter existing by reason of blood, marriage, or adoption.

*Section 6
Rules and Regulations*

The Board of Trustees shall have power to make and adopt such rules and regulations, not inconsistent with law, the Articles of Incorporation of the Cooperative or this Code of Regulations, as it may deem advisable for the management, administration and regulation of the business and affairs of the Cooperative.

*Section 7
Accounting System and Reports*

The Board of Trustees shall cause to be established and maintained a complete accounting system. The Board of Trustees shall cause to be made by a certified public accountant a full and complete annual audit of the accounts, books and financial condition of the Cooperative. Such audit reports shall be available to the members at all reasonable times.

*Section 8
Change in Rates*

The Board of Trustees shall fix the rates charged by the Cooperative for electric energy and non-electric products and services offered by the Cooperative and shall give any

required written notice to the Administrator of the Rural Utilities Service.

Section 9
Agents and Employees

The Board of Trustees may employ and discharge agents and employees and fix their powers, duties and compensation, subject, however, to the provisions of Article III, Section 5 of this Code of Regulations in regard to trustees and close relatives of trustees. The Board of Trustees may from time to time vest any of the above authority in the President and Chief Executive Officer of the Cooperative.

Section 10
Election of Trustees

A ballot for electing trustees shall be prepared by the Secretary and mailed, along with a return envelope, or transmitted by electronic means, at least thirty (30) days prior to the annual meeting of members to all members of the Cooperative whose names appear upon the membership records of the Cooperative at the time of such mailing or electronic transmission, as the case may be; provided, however, that electronic voting shall be provided for and used only if the Board of Trustees determines in its sole discretion that electronic voting may be used, and if such determination is made, the ballot shall also contain instructions for voting by electronic means. If the ballot is transmitted by electronic means, it shall be sent to the address provided to the Cooperative by the member for receipt of electronic transmission. The ballot shall list the qualified nominees selected in accordance with the provisions of Section 3 of this Article III who have signified their willingness to serve if elected and shall show separately the nominations made by the committee on nominations and, if any, nominations made by petition. With respect to each position to be filled on the Board of Trustees, each member shall be entitled to vote for one (1) of the nominees listed on the ballot by checking a box located next to such nominee's name or, in the case of voting by electronic means, indicating the member's vote in accordance with the instructions for electronic voting.

No member may vote by both written ballot and electronic means. The ballot, after being voted by the member, shall be signed by the member and either (i) returned by mail to the Secretary in the envelope provided to such member at the address shown on such envelope and postmarked not less than ten (10) days prior to the annual meeting of members, or (ii) hand-delivered to an office of the Cooperative not less than seven (7) days prior to the annual meeting of members. In the case of electronic voting, the ballot need not be signed or returned by the member but shall be voted by electronic means not less than seven (7) days prior to the annual meeting of members in accordance with the instructions for electronic voting and in such a manner that the Cooperative can determine that the electronic vote was authorized by the member and accurately reflects the intentions of the member. The Secretary, with the assistance of a committee consisting of not less than two (2) members appointed by the Board of Trustees, shall be responsible for the tabulation of the ballots and electronic votes, if any, for the election of trustees and shall determine the successful candidates. No ballot shall be counted unless signed by the member and returned to the Secretary by mail or hand delivered as provided above. No electronic vote shall be counted unless the electronic vote was voted in the time frame and manner provided above.

Furthermore, with respect to each position to be filled on the Board of Trustees, no ballot shall be counted if the member has voted for more than one (1) nominee. With respect to each position to be filled on the Board of Trustees, the nominee receiving the greatest number of votes shall be elected a trustee effective as of the date of the annual

meeting of members. In case of a tie vote, the election shall be decided by flipping a coin. The results of the election shall be announced by the Secretary, or if the Secretary is a nominee, by another board member, at the annual meeting of members. If the Secretary is a nominee, the Secretary shall not prepare the ballots, receive the voted ballots from members, or be responsible for the tabulation of the ballots for the election of trustees; rather, the Board of Trustees shall appoint a trustee who is not a nominee to perform the Secretary's duties in connection with the election of trustees. If the election of trustees is not within the time set forth in this Section 10, the Board of Trustees shall cause the election of trustees to be held as soon thereafter as may be convenient.

ARTICLE IV

Meetings of Trustees

Section 1

Regular Meetings

A regular meeting of the Board of Trustees shall be held without notice other than this Code of Regulations, immediately after the annual meeting of the members or as soon thereafter as practicable. A regular meeting of the Board of Trustees shall also be held monthly at such time and place in Fairfield County, Ohio, or such other place, as the Board of Trustees may provide by resolution. Such regular monthly meetings may be held without notice other than such resolution fixing the time and place thereof.

Section 2

Special Meetings

Special meetings of the Board of Trustees may be called by the Chairman or any three (3) trustees. The person or persons authorized to call special meetings of the Board of Trustees may fix the time and place, within or without the State of Ohio, for the holding of any special meeting of the Board of Trustees called by them.

Section 3

Notice

Notice of the time, place and purpose of any special meeting of the Board of Trustees shall be given at least three (3) days previous thereto, by written notice, delivered personally, electronically or by mail, to each trustee at such trustee's last known address. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed with postage thereon prepaid. The attendance of a trustee at any meeting shall constitute a waiver of notice of such meeting, except in case a trustee shall attend a meeting for the express purpose of objecting to the transaction of any business because the meeting shall not have been lawfully called or convened.

Section 4

Quorum

A majority of the Board of Trustees shall constitute a quorum for the transaction of business at any meeting of the Board of Trustees, provided, that if less than a majority of the trustees is present at said meeting, a majority of the trustees present may adjourn the meeting from time to time without further notice.

Section 5

The act of the majority of the trustees present at a meeting at which a quorum is present

shall be the act of the Board of Trustees.

ARTICLE V

Section 4

Removal

Any officer elected or appointed by the Board of Trustees may be removed by the Board of Trustees whenever, in its judgment, the best interests of the Cooperative will be served thereby; except that the Board of Trustees may, in its discretion, agree in a written employment agreement to conditions inconsistent with this Code of Regulations concerning the removal of the President and Chief Executive Officer.

Section 5

Resignations

Any officer may resign at any time by giving written notice to the Board of Trustees, or to the Chairman or to the Secretary of the Cooperative. Any such resignation shall take effect at the time specified therein and unless otherwise specified therein the acceptance of such resignation shall not be necessary to make it effective.

Section 6

- (c) shall be custodian of the corporate records and of the seal of the Cooperative and see that the seal of the Cooperative is affixed to all certificates of membership prior to the issue thereof and to all documents, the execution of which on behalf of the Cooperative under its seal is duly authorized in accordance with the provisions of this Code of Regulations;
- (d) shall keep a register of the post office address of each member which shall be furnished to the Secretary by such member;
- (e) shall sign with the Chairman certificates of membership, the issue of which shall have been authorized by resolution of the Board of Trustees;
- (f) shall have general charge of the books of the Cooperative in which a record of the members is kept;
- (g) shall keep on file at all times a complete copy of the Code of Regulations of the Cooperative containing all amendments thereto, and cause copies thereof to be available for delivery to members when requested; and
- (h) shall, in general, perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned by the Board of Trustees.

Section 13
The Assistant Secretary

The Assistant Secretary, if one is appointed by the Board of Trustees pursuant to Section 3 of this Article V, need not be a member of the Board of Trustees and shall hold office until relieved by the Board of Trustees. The Assistant Secretary shall assist the

Secretary in the performance of the Secretary's duties as requested by the Secretary or by the Board of Trustees.

Section 14
Bond of Officers

The Board of Trustees shall require the Treasurer, or any other officer of the Cooperative charged with the responsibility for the custody of any of its funds or property, to give bond in such sum and with such surety as the Board of Trustees shall determine. The Board of Trustees, in its discretion, may also require any other officer, agent or employee of the Cooperative to give bond in such amount and with such surety as it shall determine.

Section 15
Compensation

The compensation of officers shall be fixed by the Board of Trustees.

Section 16
Reports

The officers of the Cooperative shall submit at each annual meeting of the members annual reports covering the business of the Cooperative and showing the condition of the Cooperative.

Section 17
Assistant Vice Chairman

The Assistant Vice Chairman, if one is appointed by the Board of Trustees pursuant to Section 3 of this Article V, need not be a member of the Board of Trustees and shall hold office until relieved by the Board of Trustees. The Assistant Vice Chairman shall assist the Vice Chairman in the performance of the Vice Chairman's duties as requested by the Vice Chairman or by the Board of Trustees.

ARTICLE VI
Contracts, Checks and Deposits

Section 1
Contracts

Except as otherwise provided in this Code of Regulations, the Board of Trustees may authorize any officer or officers, agent or agents to enter into any contract or execute and deliver any instrument in the name and on behalf of the Cooperative, and such authority may be general or confined to specific instances.

Section 2
Checks, Drafts, etc.

All checks, drafts or other orders for the payment of money, and all notes, bonds or other evidences of indebtedness issued in the name of the Cooperative shall be signed by such officer or officers of the Cooperative or in such manner as shall from time to time be determined by resolution of the Board of Trustees.

When any note, bond or other evidence of indebtedness of the Cooperative is authenticated or countersigned by incorporated trustee, the signature of any officer of the Cooperative authorized to sign any such instrument may be facsimile, engraved, stamped

or printed. Although any officer of the Cooperative whose manual or facsimile signature is affixed to any such instrument ceases to be such officer before the instrument is delivered, such instrument nevertheless shall be effective in all respects when delivered.

Section 3
Deposits

All funds of the Cooperative shall be deposited from time to time to the credit of the Cooperative in such bank or banks as the Board of Trustees may select.

ARTICLE VII
Membership Certificates

Section 1
Certificates of Membership

Membership in the Cooperative may be evidenced by a certificate of membership which shall be in such form and contain such provisions as shall be determined by the Board of Trustees not contrary to, or inconsistent with, the Articles of Incorporation of the Cooperative or this Code of Regulations.

Such certificate shall be signed by the Chairman or the Vice Chairman and by the Secretary or a member of the Board of Trustees of the Cooperative and the corporate seal shall be affixed thereto.

Section 2
Lost Certificate

In case of a lost, destroyed or mutilated certificate, a new certificate may be issued therefore upon such terms and such indemnity to the Cooperative as the Board of Trustees may prescribe.

ARTICLE VIII
Non-Profit Financial Operations

Section 1
Interest or Dividends on Capital Prohibited

The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

Section 2
Patronage Capital in Connection with Furnishing Electric Energy and Other Utility Type Services ("Patronage Services")

For purposes of this Article VIII only, "Patronage Services" shall mean (a) the provision of electric energy and (b) the provision of other utility type goods and services to the extent the provision of such goods and services qualifies an organization for exemption from federal income taxation under Section 501(c)(12) of the Internal Revenue Code and for which the Cooperative has a pre-existing legal obligation to provide on a patronage basis through the allocation of patronage capital. Such pre-existing legal obligation shall be provided for by Board policies, Board resolutions, an affirmative vote of the Members, or other contractual authority (collectively, "binding authority"). At the Board's discretion, this binding authority may be for members only or both members and non-members alike. Also at the Board's

discretion, the binding authority may include the sale or provision of a good or service qualifying as a Patronage Service and provided by a subsidiary treated as a disregarded entity for federal income tax purposes.

In the furnishing of electric energy and non-electric products and services offered by the Cooperative, the Cooperative's operation shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy and non-electric products and services offered by the Cooperative in excess of operating costs and expenses properly chargeable against the furnishing of electric energy and non-electric products and services offered by the Cooperative. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to the patron's account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts of capital.

All other amounts received other than from the furnishing of Patronage Services by the Cooperative other than from its operations in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year as determined by the Board of Trustees, (b) used by the Cooperative to establish unallocated reserves and retained capital not currently distributable to the patrons except upon dissolution of the Cooperative, and (c) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as a part of the capital credited to the accounts of patrons, as herein provided.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Trustees shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. Any such retirements of capital shall be made in such order of priority as the Board may determine in the reasonable exercise of its discretion.

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or a part of such patrons' premises served by the Cooperative unless the Board, acting under policies of general application, shall determine otherwise, except as herein otherwise provided.

Notwithstanding any other provision of this Code of Regulations, the Board of Trustees, at its discretion, shall have the power at any time upon the death of any individual patron or former individual patron, but not upon the dissolution, liquidation, or other cessation of existence of any entity patron or former entity patron, if the legal representatives of the patron or former patron's estate shall request in writing that capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of the Code of Regulations, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Trustees, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon; provided, however, that the financial condition of the Cooperative will not be impaired thereby.

Notwithstanding any other provision of this Code of Regulations or other provision of the membership certificate, if any patron or former patron fails to claim any cash retirement of capital credits or other payment from the Cooperative within four (4) years after payment of the same has been made available by notice or check mailed to the last address furnished to the Cooperative by the patron or former patron, such failure shall be and constitutes an irrevocable assignment and gift by such patron of such capital credit or other payment to the Cooperative. Failure to claim any such payment within the meaning of this Section shall include the failure by such patron or former patron to cash any check mailed to the patron or former patron by the Cooperative at the last address furnished to the Cooperative. The assignment and gift provided for under this Section shall become effective only upon the expiration of four (4) years from the date when such payment was made available to such patron or former patron without claim therefor and only after the further expiration of sixty (60) days following the giving of a notice by first-class mail publication in a newsletter or magazine distributed to the Cooperative's members, or posting to the Cooperative's website, that unless such payment is claimed within said sixty (60) day period, such gift to the Cooperative shall become effective. [Amended by Members on August 19, 2021]

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Code of Regulations shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article of the Code of Regulations shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.

ARTICLE IX

Waiver of Notice

Any member or trustee may waive, in writing, any notice of meetings required to be given by this Code of Regulations. In case of a joint membership, a waiver of notice signed by either husband or wife shall be deemed a waiver of notice of such meeting by both joint members.

ARTICLE X

Disposition of Property

The Cooperative may not sell, mortgage, lease or otherwise dispose of or encumber any of its property other than:

- (a) property which in the judgment of the Board of Trustees neither is nor will be necessary or useful in operating and maintaining the Cooperative's system and facilities; provided, however, that all sales of such property shall not in any one (1) year exceed in value ten percent (10%) of the value of all of the property of the Cooperative;
- (b) services of all kinds, including electric energy; and
- (c) personal property acquired for resale;

nor shall the Cooperative merge or consolidate with any other corporation, unless such sale, mortgage, lease, other disposition or encumbrance, merger or consolidation is authorized at a meeting of the members by the affirmative vote of at least two-thirds (2/3) of all the members of the Cooperative and unless the notice of such proposed sale, mortgage, lease, other disposition or encumbrance, merger or consolidation shall have been contained in the notice of the meeting; provided, however, that notwithstanding anything herein contained, the Board of Trustees, without authorization by the members, shall have full power and authority to borrow money from the United States of America, any agency or instrumentality thereof, or any recognized lender or lending institution, and in connection with such borrowing to authorize the making and issuance of bonds, notes or other evidences of indebtedness and, to secure the payment thereof, to authorize the execution and delivery of a mortgage or mortgages, or a deed or deeds of trust upon, or the pledging or encumbering of any or all of the property, assets, rights, privileges, licenses, franchises and permits of the Cooperative, whether acquired or to be acquired, and wherever situated, as well as the revenues and income therefrom, all upon such terms and conditions as the Board of Trustees shall determine; and provided further, that notwithstanding anything herein contained, the Board of Trustees may upon the authorization of a majority of those members of the Cooperative present at a meeting of the members thereof, sell, lease, or otherwise dispose of all or substantially all of its property to, or merge or consolidate with, another nonprofit corporation that was previously at any time a borrower from the Rural Utilities Service or Rural Electrification Administration or a generation or transmission cooperative whose members are electric distribution cooperatives.

Notwithstanding the foregoing provisions of this Article, nothing contained herein shall be deemed or construed to prohibit an exchange of facilities with other electric companies when in the judgment of the Board of Trustees the facilities are of approximately equal value, but in no event shall the value of the Cooperative's facilities exchanged within one (1) year exceed five percent (5%) of the total assets of the Cooperative.

ARTICLE XI

Fiscal Year

The fiscal year of the Cooperative shall begin on the first day of January of each year and end on the thirty-first day of December of the same year.

ARTICLE XII

Membership in Other Organizations

The Cooperative shall not become a member of any organization without an affirmative vote of two-thirds (2/3) of all members of the Board of Trustees.

ARTICLE XIII
Seal

The Corporate seal of the Cooperative shall be in the form of a circle and shall have inscribed thereon the name of the Cooperative and the words “Corporate Seal, Ohio”.

ARTICLE XIV
Amendments

This Code of Regulations may be altered, amended or repealed by the members at any regular or special meeting, provided the notice of such meeting shall have contained a copy of the proposed alteration, amendment or repeal; provided, however, that any alteration, amendment or repeal of this Article or Article X shall require the affirmative vote of at least two-thirds (2/3) of the members of the Cooperative; and provided further, that no other provision of this Code of Regulations may be altered, amended or repealed by an affirmative vote which is less in number or different in character than the affirmative vote required for action under that provision.

ARTICLE XV
Indemnification

(1) The Cooperative shall indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed civil, criminal, administrative, or investigative action, suit, or proceeding, including all appeals (other than an action, suit, or proceeding by or in the right of the Cooperative), by reason of the fact that such person is or was a trustee, officer, employee, or volunteer as defined in Section 1702.01(N) of the Ohio Revised Code (“volunteer”), of the Cooperative, or is or was serving at the request of the Cooperative as a trustee, director, officer, employee, or volunteer of another domestic or foreign nonprofit corporation or corporation for profit, or a partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, decrees, fines, penalties, and amounts paid in settlement actually and reasonably incurred by such person in connection with the action, suit, or proceeding, unless it is proved by clear and convincing evidence in a court of competent jurisdiction that such person’s action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the Cooperative or undertaken with reckless disregard for the best interests of the Cooperative and that, with respect to any criminal action or proceeding, such person had reasonable cause to believe that such person’s conduct was unlawful; the termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, constitute such proof.

(2) Other than in connection with an action or suit in which the liability of a trustee under Section 1702.55 of the Ohio Revised Code is the only liability asserted, the Cooperative shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the Cooperative to procure a judgment in its favor by reason of the fact that such person is or was a trustee, officer, employee, or volunteer of the Cooperative, or is or was serving at the request of the Cooperative as a trustee, director, officer, employee, or volunteer of another domestic or foreign nonprofit corporation or corporation for profit, or a partnership, joint venture, trust, or other enterprise, against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection with the defense or settlement of the action or suit unless it is proved by clear and convincing

evidence in a court of competent jurisdiction that such person's action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the Cooperative or undertaken with reckless disregard for the best interest of the Cooperative, except that the Cooperative shall indemnify such person to the extent the court in which the action or suit was brought determines upon application that, despite the proof but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

(3) Any indemnification under subsections (1) or (2) hereof (unless ordered by a court) shall be made by the Cooperative only as authorized in the specific case upon a determination that indemnification of the trustee, director, officer, employee, or volunteer is proper in the circumstances. The determination shall be made (a) by a majority vote of those members of the Board of Trustees who, in number constitute a quorum of the Board of Trustees who also were not and are not parties to or threatened with any such action, suit, or proceeding or (b) if such a quorum is not obtainable (or even if obtainable) and a majority of disinterested members of the Board of Trustees so directs, in a written opinion by independent legal counsel compensated by the Cooperative or (c) by the court in which the action, suit, or proceeding was brought.

(4) Unless the action, suit, or proceeding referred to in subsections (1) or (2) hereof is one in which the liability of a trustee under Section 1702.55 of the Ohio Revised Code is the only liability asserted, expenses (including attorneys' fees) incurred by the trustee, officer, employee, or volunteer of the Cooperative in defending the action, suit, or proceeding shall be paid by the Cooperative as they are incurred, in advance of the final disposition of the action, suit, or proceeding upon receipt of an undertaking by or on behalf of the trustee, officer, employee, or volunteer in which such person agrees both (a) to repay the amount if it is proved by clear and convincing evidence in a court of competent jurisdiction that such person's action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the Cooperative or undertaken with reckless disregard for the best interests of the Cooperative and (b) to cooperate with the Cooperative concerning the action, suit, or proceeding.

(5) The Cooperative may purchase and maintain insurance or furnish similar protection, including, but not limited to, trust funds, letters of credit, and self-insurance, for or on behalf of any person who is or was a trustee, officer, employee, agent, or volunteer of the Cooperative, or is or was serving at the request of the Cooperative as a trustee, director, officer, employee, agent, or volunteer of another domestic or foreign nonprofit corporation or corporation for profit, or a partnership, joint venture, trust, or other enterprise, against any liability asserted against and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Cooperative would have the power to indemnify such person against liability under the provisions of this Article or of the Ohio Nonprofit Corporation Law. Insurance may be purchased from or maintained with a person in which the Cooperative has a financial interest.

(6) Unless otherwise provided in the agreement of merger pursuant to which there is a merger into this Cooperative of a constituent corporation that, if its separate existence had continued, would have been required to indemnify board members, directors, officers, employees, or volunteers in specified situations, any person who served as a trustee, officer, employee, or volunteer of the constituent corporation, or served at the request of the constituent corporation as a trustee, director, officer, employee, or volunteer of another domestic or foreign nonprofit corporation, or corporation for profit, or a partnership, joint venture, trust, or other enterprise, shall be entitled to indemnification by this Cooperative

(as the Surviving Corporation) to the same extent such person would have been entitled to indemnification by the constituent corporation if its separate existence had continued.

(7) The indemnification provided by this Article shall not be deemed exclusive of, and shall be in addition to, any other rights granted to a person seeking indemnification as a matter of law or under the Articles of Incorporation, this Code of Regulations, any agreement, vote of the members of the Cooperative or the disinterested members of the Board of Trustees, any insurance purchased by the Cooperative, any action by the Board of Trustees to take into account amendments to the Ohio Nonprofit Corporation Law that expand the authority of the Cooperative to indemnify a trustee, officer, employee, or volunteer of the Cooperative, or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding an office or position and shall continue as to a person who has ceased to be a trustee, officer, employee, or volunteer and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(8) Other than in connection with an action or suit in which the liability of a trustee under Section 1702.55 of the Ohio Revised Code is the only liability asserted, a trustee or officer of the Cooperative shall be liable in damages for any action such trustee takes or fails to take as a trustee or as an officer, as the case may be, only if it is proved, by clear and convincing evidence, in a court with jurisdiction that the act or omission was one undertaken with deliberate intent to cause injury to the Cooperative or was one undertaken with a reckless disregard for the best interests of the Cooperative.
